2014 INDIANA CHAPTER IAAO COURSE MEMO AND REGISTRATION

TO: All County & Township Assessors, County Auditors,
PTABOA Members and Vendors

FROM: Barry Wood, Assessment Division Director

DATE: January 21, 2014

SUBJECT: 2014 Indiana Chapter IAAO Courses

The Department of Local Government Finance ("Department") in conjunction with the Indiana Chapter of the International Association of Assessing Officers ("ICIAAO") will sponsor IAAO courses as a continuing education and Level II certification opportunity.

The Department will pay the registration fee for two employees from each county and each elected township assessor's office who have not taken the course previously through the Department. Eligible registrants are county assessors and/or deputies, elected township assessors and/or their deputies, county auditors and/or their deputies and appointed members of the PTABOA. For county and township employees, the Department uses the two per county or township rule. If more than two registrations per county or elected township assessor's office are received for a course, employers will be contacted to decide which employees are the two to attend at the Department's expense. Additional employees may register at the county's or their own expense.

In order for the Department to pay the registration fee, registrants must sign both an AM and PM sign in sheet and take the exam at the end of the course. Successful completion of the exam is not a requirement.

Those who have taken the course previously, all vendors, those who do not attend the entire course, or those who do not take the exam will be responsible for payment of the registration fee. Anyone who registers for the course and cancels within ten days of the course or who does not attend any part of the course, without specific approval from the Department or the Indiana Chapter of IAAO, will also be responsible for payment of the registration fee. Emergencies will be taken into consideration, and if there is a wait list and if the spot can be filled, no fee will be charged to the person cancelling.

The courses will be filled on a first come, first served basis without regard to the employer, using the received date and time from the email, postmark, or fax. Once a course is filled (50 people maximum) additional registrants will be placed on a wait list. The position on the wait list will also be determined by the date and time stamp on the email, postmark, or fax.

A minimum of 25 people must be registered for the course. If the Department does not have 25 registrations 14 days before the start date of the course, the course will be cancelled and you will be notified by e-mail.

All registrations will be handled online by the Indiana Chapter of IAAO through their website:

www.iaao-indiana.com

The link to the registration is at the bottom of the page. If you are unable to access the website or are experiencing technical difficulties, please contact Ginny Whipple by phone or email.
